Transition Period from Summer to Winter and vice-versa

As a general rule, Summer Uniform is worn in Term 1 and Term 4 and Winter Uniform is worn in Term 2 and Term 3. However, these times may alter if extreme temperature changes occur close to the changeover period. Advice of changeover dates will always be published in the Newsletter or on the Compass App.

Transition Period to New Uniform: 2020 -2022

All prep students enrolled in the school from January 2022 will transition into the new uniform. For students in Year 1-6 will have a three-year transition period from the old school uniform to the new school uniform. All students will be required to wear the new uniform at the commencement of the 2025 school year. We believe in a staggered and sustainable implementation of the new school uniform, therefore, during the period of transition students can mix and match the old and new school uniform.

Lost Property

PLEASE clearly write your child's name on all items of clothing that they are likely to remove at school, including shoes and socks. Please also label school bags, lunch box, and drink bottles. When the weather conditions are changeable at the beginning of each season students often lose unlabelled jackets and jumpers as they take them off. Lost Property can be accessed via the school office.
